1. From reference (a) it appears that letters are being received regularly from [] []. The last information we have on communication received from the Red Team is that contained in reference (b). Did the Military Junta ever receive the bill numbers, the camera number and the exposed film described in paragraph 2 of reference (b)?

2. We should like to know what the payment referred to in reference (a) represents. If this is something other than the usual \$50 a month agent payment, what are we getting in return for it? If it is the regular agent payment, in it held in Germany for [] or is it forwarded to him? If the latter, how? Are such payments being made to the other members of Red Team?

3. It is requested that we be brought completely up to date on all information on or from the Red Team.
